11. Committee Reports

Councilmember Carlyle announced there will be a Legislative and Intergovernmental Relations Committing meeting this Thursday at 11:30 am via zoom.

Councilmember Forte commended Mr. Mark Dunning, Assistant City Manager, and Mr. Ryan Elam, Director of Development Services, for the CEDC (Community and Economic Development Committee) meeting last week. They introduced their staff and had a celebration for Mr. Elam's 5 years with the City.

12. Council Comments:

Councilmember Johnson stated the City Council had received an e-mail from a Citizen regarding the lack of affordable housing in Lee's Summit. He thought it was a very nice e-mail and he is looking for the answer too. Three years ago he proposed some ideas on how to get a higher level of affordable housing, single family detached housing and not rental properties. He asked the Council to discuss affordable 1,500 square foot single family detached housing and 50 foot wide lots. He would like to make it simpler. Now smaller lots have to go through R3 or R4 zoning which costs the developer more and requires more engineering time. He would like them to fall under R1 zoning which now has a 70 foot minimum. Mayor Baird asked Mayor Pro Tem Lopez to assign this topic to a committee.

Councilmember DeMoro asked staff for information regarding the new federal Infrastructure Bill.

Councilmember Forte expressed concern about the December 14, 2021 meeting with the Lee's Summit R7 school district at MIC (Missouri Innovation Campus) with an update from the Diversity & Inclusion Commission and a possible

Closed Session after. She did not believe City Council business should be done off-site and asked to have the meeting with the school district postponed. Mayor Baird declined her request stating the Diversity and Inclusion Commission is providing a 6 month update report only, no action is required by the Council, and Closed Sessions are not open to the public.

Councilmember Shields said she hopes the CEDC (Community and Economic Development Committee) will discuss garage and parking requirements as part of the affordable housing discussions.

Councilmember Johnson reminded residents that real estate and personal property taxes can be paid at City Hall. A portion of the taxes paid at City Hall remains with the city to help fund services.

13. Staff Roundtable

Mr. Steve Arbo, City Manager, said as we enter into this season of Thanksgiving, he reminds himself of how fortunate we are to have this community and the type of dialogue where we resolve problems together, especially when looking back at our strategic planning and our comprehensive plan process. He is grateful for the staff and the elected body to help us in creating the community that we have. He then added a word of thanks to everyone as we enter into that period of Thanksgiving.

14. Adjournment

There being no further business, Mayor Baird adjourned Regular Session No. 50 at 9:07 p.m.

Unless determined otherwise by the Mayor and City Council, no new agenda items shall be considered after 11:00 p.m.
